*There are more than 3000 lakes and ponds & 6000 miles of rivers and streams in the Adirondacks.*

*Here is your special invitation to visit the  
Central Adirondacks.*

It is here you can forget your worries watching the sunset from an Adirondack chair at one of our lakeside resorts or in a remote lean-to while backpack camping. You might just row rhythmically in a traditional guide boat or rediscover your youth on a scenic seaplane, on horseback, or paddling a canoe through our part of the Adirondacks so . . .
