TOWN OF WEBB SUMMER PROGRAMMING

Hello Everyone.

We are all aware of the COVID-19 and how it is impacting our lives and community. We look forward to the end of the pandemic. The Town of Webb Recreation Department expects to move forward with summer programming. Please note, we will obviously continue to monitor recommendations from the WHO, CDC and DOH as to whether or not we can proceed with our summer programs. Safety is our number 1 priority.

It is that time of year to register your child(ren) for summer activities. This year we would like to proceed as usual but WITHOUT payment at this time until we have more specifics as to whether or not our summer activities will take place. If we are able to proceed with summer programs, all paperwork will already be in place and payment arrangements will be made BEFORE the program begins. Hopefully this will eliminate everyone having to scramble at the last minute. By doing this, we hope summer programming will be a smooth transition for parents to focus on other things that may have been put ‘on hold’ due to the pandemic. We will keep you updated as we receive more information. Should you have any questions, please feel free to call Jackie at 315-399-0748. Thank you for your time and patience.

Sincerely,

Jackie Englert
